

JUNE 2026 • 57th Year

hook & winch

FROM THE DESK OF EXECUTIVE DIRECTOR SUE MILES

Can you believe it? The countdown is on! In just a few short weeks, the Indiana Towing & Wrecker Association will welcome members, families, vendors, sponsors, and industry friends from across the Midwest to Fair Oaks Farms for the 2026 Indiana Tow Show. Our committees and volunteers have been working for months to create an event that is educational, entertaining, and full of opportunities to reconnect with old friends while making new ones.

We are excited to kick off the weekend on **Friday, July 31**, with a full day of professional development. Our **EV Certification Training** will provide valuable education for operators who are increasingly responding to electric vehicle incidents. Following lunch, we will host **Traffic Incident Management (TIM) Training**, another outstanding opportunity to sharpen your skills while improving roadway safety for everyone involved in emergency response.

When the training wraps up, the fun begins! Friday evening features our **Hospitality Reception**, great food, live entertainment, vendor displays, and our popular **Light Up the Night** event, where some of the industry's sharpest trucks will illuminate the grounds. It's always one of the most photographed and talked-about parts of the weekend.

This year we're also introducing something completely new—and it's guaranteed to entertain both competitors and spectators. **The Blind Rotator Challenge** will put operators' communication and teamwork to the ultimate test. One operator will be unable to see the work area while relying entirely on directions from a teammate to complete the challenge. It promises to be exciting, unpredictable, and a lot of fun while showcasing the importance of trust, communication, and precision during complex recoveries.

Saturday is packed from start to finish. **Our Vendor Expo** will feature the latest equipment, products, technology, insurance services, software, and innovations available to the towing and recovery industry. Be sure to take time to visit every exhibitor—they help make this event possible and bring tremendous value to our members.

The **Tow Truck Beauty Contest** returns bigger than ever with cash prizes awarded in every class, specialty awards,

Continued from page 1

and the prestigious **Best of Show** honor. Whether your truck is a daily workhorse or a polished showpiece, this is your chance to show off your pride in the profession. We can't wait to see the incredible equipment that rolls into Fair Oaks this year.

Our **Rotator Challenge Competitions** will once again highlight the incredible skill and professionalism of Indiana's operators. Along with our new Blind Rotator Challenge, expect exciting head-to-head competitions that demonstrate precision, safety, and teamwork while giving spectators a front-row seat to some amazing operator talent.

While the operators are competing, we haven't forgotten about the families. Fair Oaks Farms offers wonderful attractions for kids, making this a true family-friendly weekend. Our **Ladies Luncheon**, themed "**Denim, Diamonds & Pearls**," will once again be a special gathering, followed by country line dancing and plenty of laughs and fellowship.

As the weekend comes to a close, we'll gather for our **Saturday Night Awards Banquet**, where we'll celebrate the accomplishments of our members, recognize our Beauty Contest winners, honor our Rotator Challenge champions, and enjoy an evening of fellowship with **Special Guest MC Mark Salentine**. It is always a memorable way to wrap up an outstanding weekend.

Don't forget to purchase your raffle tickets for our annual fundraiser benefiting the **ITWA Scholarship Fund** and **Survivor Fund**. This year's grand prize is a **Special Edition Rossi Heritage H92 .45 LC "Tribute to the Towman" Rifle**, with additional cash prizes awarded to second and third place winners. Every ticket purchased helps support programs that directly benefit our members and their families.

Events like this don't happen without tremendous support. My sincere thanks goes out to every sponsor, exhibitor, volunteer, committee member, and Board member who has invested their time and resources to make this year's Tow Show a success. Your dedication continues to move ITWA forward.

If you haven't registered yet, there's still time—but don't wait. Reserve your hotel room, register for training, sign up for the Beauty Contest, enter the Rotator Challenge, and make plans to join us for what promises to be one of the best Indiana Tow Shows we've ever hosted.

I look forward to seeing each of you at Fair Oaks on **July 31 and August 1** as we celebrate our industry, strengthen our friendships, and continue building the future of ITWA.

Thank you for your continued support of our Association.

United By The Hook. Stronger Together.

Thank You For Supporting ITWA!
UNITED BY THE HOOK • STRONGER TOGETHER

FROM THE DESK OF PRESIDENT BILL McCLANAHAN

Well, what a great life we have. Enjoy it every day. Remember its short and time goes on.

It's Show Time in Indiana! ITWA Trade Show is right around the corner. Let's get dressed in our finest and polish all them trucks up! Come take pride in what we do. It's a family party and you're all welcome!

Everyone is working hard to make ITWA proud again!

Stay safe and watch out for each other, we are all one together!

Bill

ITWA WOMEN'S AUXILIARY

As I write this, it is less than a month until the 2026 Indiana Tow Show taking place at the Fair Oaks Farm in Fair Oaks, Indiana. There is a lot of excitement and enthusiasm in the planning of the show. I know I am looking forward to it. I hope you are too!

This month I would like to talk about the Ladies Luncheon which will take place in the ballroom on Saturday August 1 at 11:30. The Power of the Purse Ladies Luncheon is very popular and very well attended each year. Our Ladies Luncheon is very unique in that we call it the "Power of the Purse" Ladies Luncheon. At the luncheon we host a purse raffle. We ask tow companies and vendors to donate purses. The purses are usually filled with various items. The cost of the luncheon is \$20.00. That includes lunch along with one ticket for a chance at winning a purse of your choice. Additional tickets will be sold at \$1.00 per ticket or 25 tickets for \$20.00. Our friend Shelli Hawkins will join us as our guest speaker, inspiring us with her encouraging words. She has a passion for the towing industry and a desire to help others.

I am excited to announce that we are adding something new this year. We have an experienced line dance instructor joining us. You will have the opportunity to learn and enjoy a variety of country line dances led by experienced instructor Diana Gates-Harney. She is experienced in teaching beginners all the way up to advanced. So whether you have never danced before or have danced for years, this activity is designed for everyone. The music she uses is great and the dances are fun. You will have an enjoyable afternoon "Dancing Country on the Farm".

We invite you to spend part of your Tow Show weekend with us for one of the most popular events of the year. It will be a fun-filled afternoon! All ladies are welcome...tow company owners, spouses, family members, friends and employees. Let's make this the most attended Ladies Luncheon yet. Please plan to join us for the Power of the Purse Ladies Luncheon. You can go to the ITWA Website to register. Please register by July 21

Until next time...please stay safe & healthy.

Crystal

DOT UPDATE FROM ISP MASTER TROOPER BRENT HOOVER

Hello and welcome back! If you are new to the column, I would like to take a minute and bring you up to speed on who I am. My name is Brent Hoover. I am a Master Trooper with the Indiana State Police. This October will mark my 22nd year with the ISP. I am assigned to the Commercial Vehicle Enforcement Division or CVED for short. My primary daily duties is to enforce the State and Federal Regulations for CMV's in the State of Indiana. I am certified to complete Part A and B Inspections as well as General Hazmat and Cargo Tank inspections. I am also a Part B Instructor and Master Instructor for the National Training Center, which means I teach new inspectors on how to inspect and Document Level 1 inspections. I have competed twice in the North American Inspectors Championships. I am the current administrator of the CVED Facebook page where I post about tips and tricks to improve your pre-trip inspections and to avoid common roadside violations.

Today I would like to write to you about Periodic or Annual Inspections. The specific question that came in to me requested clarification on how ISP and CVED officers interpreted and enforced the following section. Annual DOT inspection documentation requirements for commercial motor vehicles under 49 CFR §396.17.

- Retaining the inspection report (per §396.21) in the vehicle,
- Or displaying a sticker or decal on the vehicle containing the required certification details.

From the FMCSR's we can see that it permits either the inspection report in the vehicle or a decal on the truck with the information. At ISP and CVED we teach our officers to look and accept either the inspection report or the decal as "Possession" of an Annual Inspection.

Here is some other good information to look at when discussing annual inspections:

Question 2: *May the due date for the next inspection satisfy the requirements for the inspection date on the sticker or decal?*

Guidance: No. The rule requires that the date of the inspection be included on the report and sticker or decal. This date may consist of a month and a year.

Question 4: *Does the sticker have to be located in a specific location on the vehicle?*

Guidance: No. The rule does not specify where the sticker, decal or other form of documentation must be located. It is the responsibility of the driver to produce the documentation when requested. Therefore, the driver must know the location of the sticker and ensure that all information on it is legible and current. The driver must also be able to produce the inspection report if that form of documentation is used.

As always if you have any questions, please feel free to reach out to me.

Brent N. Hoover, Master Trooper

2026 TOW SHOW UPDATE

July 31- August 1st • Fair Oaks Farm

Save the date!

Planning is actively underway for the 2026 ITWA Tow Show.

- Strong vendor participation
- Quality networking opportunities
- Educational sessions
- Equipment Displays
- A professional and welcoming atmosphere

Additional details, announcements, and confirmed information will be shared soon.

If you are interested in volunteering or sponsoring, we encourage you to reach out to get involved. **Contact Sue Miles, director@towingindiana.com**

US DOT BI-ANNUAL UPDATES

By Brian J. Riker

Brian J. Riker is the President and Chief Compliance Specialist at Fleet Compliance Solutions, a nationwide motor carrier safety and compliance consulting firm that specializes in non-traditional fleets such as towing and auto transport companies. With more than 30 years' experience as a tower and auto transport company owner, Brian blends real world experience with professional knowledge of the regulations and best practices to help towers stay safe, stay compliant and thrive in business.

June 2026

As a regulatory compliance specialist, I often field calls from towers, among other fleet owners, that are caught off guard by pending new regulations or other compliance obligations they may have missed.

One of the most often forgotten compliance obligation is filing your bi-annual update with the Federal Motor Carrier Safety Administration. Nearly every tower that operates within the United States is required to have a US DOT number. To keep this number active and avoid the potential for fines of up to \$10,000, motor carriers are required to file an updated MCS-150 form every two years.

This is a fairly simple update that anyone can do on their own, or if they want convenience they can use a third party service provider such as my firm to file for them.

Either way, this is a low or no cost filing requirement. Please do not fall prey to the unscrupulous solicitations from service companies using scare tactics to convince you to spend hundreds of dollars to have them file on your behalf.

When this filing is due depends on you US DOT number. The last digit determines the month to file while the second to last digit determines if the filing is due in odd or even numbered years.

USDOT number ending in:	Must file by last day of:
1	January
2	February
3	March
4	April
5	May
6	June
7	July
8	August
9	September
0	October

There are a few other times a motor carrier may need to file an updated MCS-150 form outside of the bi-annual update. These include if there is a change of ownership, address, if the motor carrier is no longer engaging in any interstate commerce or is out of business. Failure to make any of these updates, even the out of business notice, may result in civil penalties against the owner(s) of the motor carrier.

Not having or failure to display an active US DOT number on commercial vehicles when required to do so may result in roadside enforcement actions including citations with fines up to \$1,000 per occurrence. Some jurisdictions may even place a commercial vehicle out of service for failure to have and/or display a valid US DOT number.

Your bi-annual update is also very important for filing the annual Unified Carrier Registration (UCR). The UCR system uses data on file with the FMCSA to determine how much your annual registration fee is. If the data is out of date you may not be able to complete your UCR registration or may be charged a higher fee than appropriate based on your actual fleet size vs. reported fleet size.

PROTECTING YOUR BUSINESS FROM CREDIT CARD CHARGEBACKS

How Better Documentation and Modern Payment Tools Can Help

Credit card payments have become a normal part of doing business in the towing and recovery industry. While accepting cards makes it easier for customers to pay, it also exposes towing companies to a growing problem—**credit card chargebacks**.

A chargeback occurs when a customer disputes a charge with their credit card company after services have already been provided. In many cases, towing companies have completed the work, released the vehicle, and deposited the payment, only to learn weeks later that the transaction is being challenged.

The good news is that there are steps every towing company can take to reduce chargebacks and improve their chances of winning disputes when they occur.

Common Reasons for Chargebacks

Some of the most common reasons customers dispute towing charges include:

- Claiming they did not authorize the transaction
- Saying they did not receive the service
- Disputing the amount charged
- Failing to recognize the company name on their credit card statement
- Attempting to avoid paying a legitimate bill after services were completed

Unfortunately, credit card companies often begin by siding with the cardholder, making proper documentation critical.

Best Practices to Prevent Chargebacks

Obtain Signed Authorizations

Whenever possible, obtain a signed authorization before beginning work. The authorization should clearly describe the services requested and include pricing information when available.

Collect Detailed Documentation

Maintain records that support every transaction, including:

- Signed service authorizations
- Tow tickets and invoices
- Vehicle release forms
- Photographs of the vehicle and service location
- Dispatch records
- Time stamps
- GPS tracking information
- Driver notes

The more documentation you can provide, the stronger your position during a dispute.

Verify Cardholder Identity

For in-person transactions, ask for identification when appropriate and verify that the name on the card matches the customer presenting it.

Clearly Describe Charges

Make sure invoices clearly explain the services provided, including:

- Hook-up fees
- Mileage
- Recovery charges
- Storage fees
- Administrative fees authorized by law

Customers are less likely to dispute charges they fully understand.

Process Payments Promptly

Avoid delayed transactions whenever possible. Prompt processing reduces confusion and minimizes the likelihood of disputes.

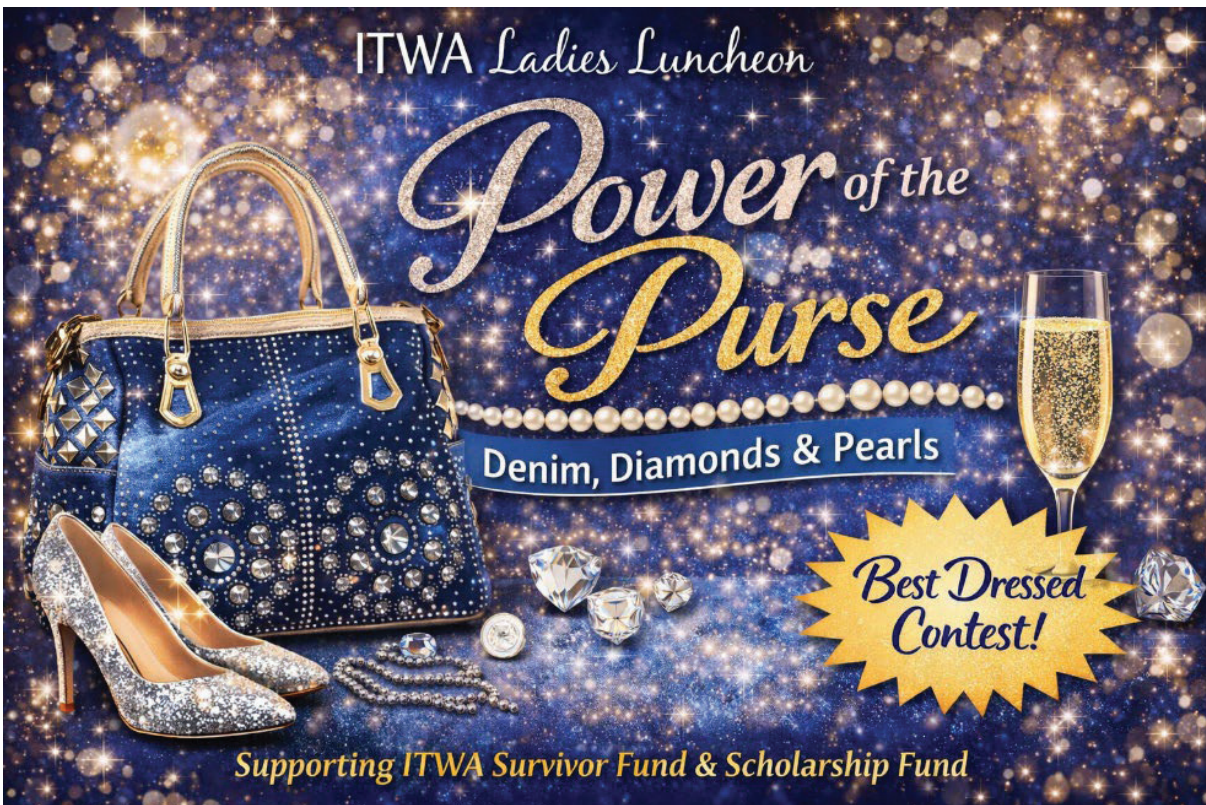

Keep Records Organized

Chargebacks can surface months after the original transaction. Maintaining organized digital records allows you to respond quickly when documentation is requested.

How RoadSync Can Help

Many towing companies are turning to [RoadSync](#) to simplify payment collection and strengthen transaction documentation.

RoadSync is a payment platform designed specifically for the towing, transportation, recovery, repair, and commercial vehicle industries. The platform provides secure payment solutions that help businesses collect payments faster while reducing administrative headaches.

HAVE YOU REGISTERED YET?

The countdown is on for the **2026 Indiana Tow Show** at **Fair Oaks Farms** on **July 31 – August 1**, and you won't want to miss this year's biggest event for Indiana's towing and recovery professionals!

Here's what you can look forward to:

-  **Tow Truck Beauty Contest with Cash Prizes**
-  **NEW! Rotator Challenge Competitions** featuring exciting skill-based events
-  **Friday EV Certification Training**
-  **Friday Traffic Incident Management (TIM) Training**
-  **Friday Night Hospitality & Entertainment**
-  **Light Up the Night Tow Truck Light Show**
-  **Vendor Exhibits & Live Demonstrations**
-  **Ladies Luncheon – "Denim, Diamonds & Pearls"**
-  **Country Line Dancing** following the luncheon
-  **Family Activities** at Fair Oaks Farms
-  **Saturday Night Awards Banquet** with our **Special Guest MC**
-  **Silent Auction, Raffles, Giveaways, and so much more!**

Whether you're an owner, operator, dispatcher, service provider, or industry supporter, there's something for everyone at this year's show.

Come for the luncheon... stay for the dancing! 🚚 🤖 🎵

Invest in Your Team with Two Outstanding Training Opportunities at the 2026 Indiana Tow Show

One of the biggest additions to this year's Indiana Tow Show is our expanded focus on professional education. Before the excitement of the Tow Truck Beauty Contest, Rotator Challenge, vendor exhibits, and Saturday evening Awards Banquet begins, we're kicking off the weekend with two outstanding training opportunities designed to help you and your team stay safe, compliant, and prepared for the challenges facing today's towing industry.

Friday, July 31 is Training Day at the Indiana Tow Show, and we're offering two valuable courses that no towing professional should miss.

EV Certification Training

Electric vehicles are becoming more common on Indiana roadways, and every towing professional needs to understand how to safely respond when one requires service or recovery. This comprehensive EV Certification course provides practical instruction on identifying electric vehicles, understanding battery systems, recognizing potential hazards, proper recovery techniques, and the equipment and procedures needed to protect both operators and the public.

Whether you've handled dozens of EVs or are preparing for your first call, this course will give you the confidence and knowledge to perform the job safely and professionally.

Traffic Incident Management (TIM) Training

Every roadside recovery presents risks, making Traffic Incident Management (TIM) training more important than ever. This course focuses on creating safer incident scenes through proper traffic control, effective communication with emergency responders, quick clearance strategies, and best practices that protect towing professionals, law enforcement, firefighters, EMS personnel, and the traveling public.

Working together safely at roadside incidents saves lives. TIM training reinforces the importance of teamwork and provides proven techniques that help reduce secondary crashes and improve overall scene management.

Build Your Skills. Protect Your Team.

Professional training is one of the greatest investments you can make in your company. The knowledge gained during these sessions can help reduce risk, improve efficiency, and ensure your operators are prepared for today's increasingly complex recoveries.

Training Day also provides an excellent opportunity to network with fellow towing professionals from across Indiana before enjoying Friday evening's hospitality event, Light Up the Night, vendor demonstrations, and family activities.

We encourage every ITWA member to take advantage of these educational opportunities while attending the 2026 Indiana Tow Show. Whether you're an owner, manager, dispatcher, or operator, these classes provide valuable information that you can immediately put to work in your daily operations.

Register today and make plans to join us July 31–August 1 at Fair Oaks Farms for two days of education, networking, competition, and Hoosier hospitality. We look forward to seeing you there!

Still Time to Become a Sponsor!

The countdown has begun for the **2026 Indiana Tow Show**, and we're excited to welcome towing professionals, vendors, and their families from across Indiana and several neighboring states to **Fair Oaks Farms on July 31–August 1, 2026**.

This year's show is shaping up to be one of the biggest and best we've ever hosted. As we welcome guests from around the country, we have a tremendous opportunity to showcase what **Hoosier Hospitality** is all about.

To make that happen, we're asking for your support.

Your sponsorship helps provide many of the things that make the Indiana Tow Show a memorable experience for everyone attending. While some expenses are easy to see, many of the most important ones happen behind the scenes, including:

- Food and refreshments for attendees
- Friday evening hospitality and entertainment
- Kids and family activities
- Security and safety services
- Event signage and decorations
- Saturday night Dinner with Program and Awards Ceremonies
- Awards and recognition
- General event operations that help create a first-class experience

Every sponsorship dollar goes directly toward making the Tow Show an event that our members can be proud of and one that visitors will remember for years to come.

2026 Tow Show Sponsorship Opportunities

Gold Sponsor – \$1,500

- Premier recognition throughout the event
- Logo featured on event signage and promotional materials
- Recognition during the Awards Banquet
- Featured recognition on the ITWA website and social media
- Special sponsor recognition throughout the weekend

Silver Sponsor – \$1,000

- Recognition on event signage
- Recognition during the Awards Banquet
- Recognition on the ITWA website and social media

Bronze Sponsor – \$500

- Recognition on event signage
- Recognition on the ITWA website and social media

No matter which sponsorship level you choose, your investment helps strengthen our association and demonstrates your commitment to the towing industry in Indiana.

Let's work together to make the **2026 Indiana Tow Show** the event everyone talks about. With your help, we'll welcome visitors from across the Midwest and show them why Indiana's towing community is second to none.

If you would like to become a sponsor or have questions about sponsorship opportunities, please contact me at director@towingindiana.com.

Thank you for your continued support of ITWA and for helping us make this year's Tow Show our best ever.

Together, we are truly **United By The Hook**.

Family Fun at the 2026 Indiana Tow Show!

Bring the Kids—There's Fun for the Whole Family!

The Indiana Towing & Wrecker Association is excited to welcome families to the **2026 Indiana Tow Show at Fair Oaks Farms!** While you're enjoying the vendor exhibits, educational training, truck displays, competitions, and special events, your children can experience one of Indiana's premier family attractions.

FREE Admission to Fair Oaks Adventures for Preregistered Children

Children who are **preregistered for the Indiana Tow Show** will receive a **complimentary armband** valid for **one admission to Fair Oaks Adventures on Saturday, August 1, 2026.**

Your Child's Adventure Includes:

- Three interactive, agriculture-themed museums
- Admission to the Fair Oaks Birthing Barn
- Outdoor fun in the popular **Mooville** play area
- Interactive children's play spaces
- Educational exhibits and family-friendly activities
- Optional Dairy Farm Tour
- Optional Pig Farm Tour

From climbing and exploring to learning how modern farms operate, Fair Oaks Adventures offers a full day of hands-on fun for children of all ages.

Don't Forget to Preregister!

To receive a complimentary Fair Oaks Adventures armband, **children must be preregistered for the Indiana Tow Show.**

Make plans now to bring the entire family for a weekend filled with education, networking, entertainment, and unforgettable family memories.

We look forward to seeing you at the **2026 Indiana Tow Show at Fair Oaks Farms on July 31–August 1, 2026!**

United By The Hook. Stronger Together.

Scholarship Application Deadline Approaching!

Don't Miss Your Opportunity!

The **Indiana Towing & Wrecker Association Scholarship Program** is dedicated to supporting the educational goals of our members and their families. If you or an eligible family member plan to attend college, trade school, or another accredited educational program, now is the time to submit your application.

Scholarship Application Deadline: July 31

All completed scholarship applications and supporting documentation **must be received by July 31**. Late applications cannot be considered.

This scholarship program is made possible through the generous support of our members and fundraising efforts throughout the year. We encourage all eligible applicants to take advantage of this valuable member benefit.

For scholarship information, application forms, or questions, please contact the ITWA office or visit www.towingindiana.com.

Apply today and invest in your future!
